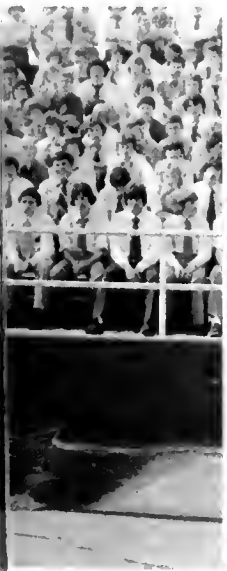
1978-79

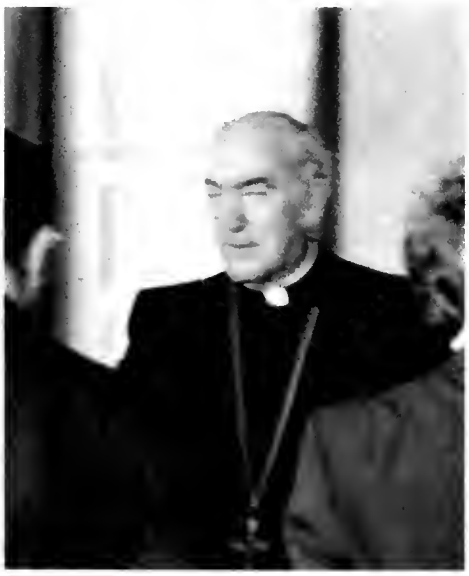
ST. MICHAEL'S COLLEGE SCHOOL

1515 BATHURST ST. TORONTO
UNDER THE DIRECTION OF THE
BASILIAN FATHERS

Mr. Bruno Suppa, Fr. Sweeny and David Trafford address the crowd. Mr. John Guerriere and School Band entertain the crowd. Archbishop Emmett Carter cuts ribbon and officially opens the stadium.

The Archibishop with Fr. Fitzpatrick extends his blessing on the site. (far left) Fr. Fitzpatrick stands with Mr. H. Vogt and the Stadium Architect Mr. B. Cosburn.





Mr. M. Cole and Fr. N. Fitzpatrick at the first student assembly in the stadium. Archibishop Carter meets with members of the Alumni.

The field has been many things as St. Michael's and Toronto grew together during the past twenty-five years. The original playing field was constructed from land fill on the Nordheimer Ravine and served the school until 1973 when subway construction commenced. During the following years, St. Michael's football, soccer and track and field teams continued to compete fully and successfully in the TDCAA league. Athletes practiced in neighbourhood parks and ravines under very difficult conditions.

The new athletic field and stadium was completed in 15 months. The playing surface has a 30 cm crown for rapid drainage as well as complete facilities for surface irrigation. Single stand goal posts have been utilized. The 400 m Uniroyal all-weather track is complemented by adjacent facilities for the shot put, pole vault and jumping events.

The stadium can accommodate 2,000 spectators. The surrounding walkways are finished with interlocking stone paving and landscaped with a variety of trees and shrubs. An outside classroom in an amphitheatre setting is the focal point of the upper stadium area. A new field house provides storage for athletic equipment and field maintenance machinery.

All in the family spectator sports! Here they come and there they go . . . Staff and Student Annual Race. Bicycle space was at a minimum during the TTC strike. And, of course, the Football breaks!

THE MIGHTY MAJOR MIDGETS

This team is one of the strongest teams in this age division ever to represent St. Micheal's. It is almost certainly among the top ten Major Midget teams in all of Canada this year. In fact, the team hopes that by year's end they will have proven that it is the very best. It is a team whose nucleus has been formed over a three year period here at St. Michael's under the guidance of Coach Paul Gauthier and Assistant Pat Monahan. This year the team has matured.

One of the key factors in this maturing process was undoubtedly the team's European Tour undertaken in November. In the span of one week this club defeated the best Midget Teams both Sweden and Finland had to offer, win the Viking Cup in a tournament in Vasteras and perhaps most importantly, helped to erase the memory of other Canadian teams of recent years which not only lost but behaved poorly both on and off the ice. This team was a credit to Canada and to St. Michael's hockey standards in that it was the least penalized team in the tournament. This week in Europe was also important in another sense. The boys went to Europe as team mates and returned as friends. The team began to manifest in Europe the spirit and the love for one another that any successful group in sports must have. This was the most lasting benefit of the trip to Europe and it will hopefully carry this very talented club through to a successful season at home.

Pat Monahan

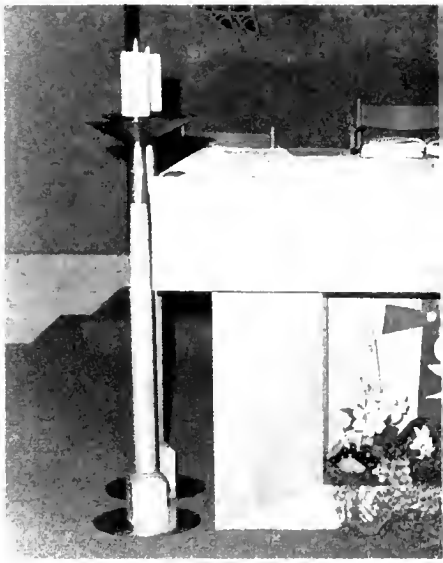
CHRISTMAS CONCERT

Music delights by the Concert and Stage Bands under the direction of Mr. J. Guerriere. Special Features included a Brass Quintet:
Mr. J. Guerriere, Luigi Brasca, Paul Sylvester, Joseph Conforti, Greg Farruga and soloist Terry Kowalczuk.



Home room Masses for the Dead. Staff and student join Fr. T. Kelly in a Mass to celebrate the Basilian Fathers' birthday. Art Students prepare decorations for the Parents' Guild Dance, the Chess Club prepares for tournaments and the students prepare for exams and Christmas. And what is November without ice action with Michael Power.

PARTING SHOTS

Through these portals pass . . .
Grade nine students drawing from a live model. Ths monumental piece of sculpture occupied the Library for the month of September!
Model of a proposed new wing for St. Michael's College School. Surrounding the present Library the new extension would have as its focus a much needed auditorium.

1978 FOOTBALL

The 1978 season will long be remembered for the opening of the long-awaited St. Michael's Stadium. This memorable day was highlighted by our Kerry Blues soundly defeating the favoured Michael Power Trojans 22 to 13. In that game, Tony DiGiovanni kicked 5 field goals with one being from 47 yards out — the longest in the history of the T.D.C.A.A.

The remainder of the season was not up to par as the team suffered from inexperience and tough luck most of the time. With 10 grade eleven starters the team built a good foundation for the future with such players as Enzo Montemurro, George Vince, and Mike Goncalves.

The 1978 season also saw the end of the high school careers of some of the finest athletes in recent years — Gino Belmonte, Serge Rosa, Mario Abbatangelo, Rob Leonardelli, Karl Cunningham and side kick rookie Marty Firth.

All in all it was a very worthwhile year that included plenty of hard work and fun with Fr. Mulcahy providing the spirit and memories.

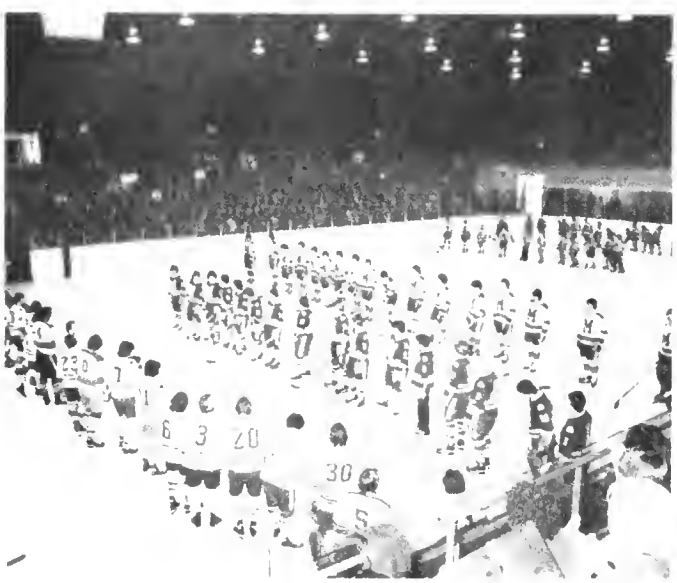
HOCKEY TRIBUTES



1978-79 has been the most successful and significant year of hockey since we won the Memorial Cup in 1964. It was a year of "additions" and "championships". Mr. Gary McDonell and Mr. Andy Maxwell joined our executive and contributed greatly to the program. Atom and Miner Peewee teams were added to the system at the request of the M.T.H.L.

The Jr "B" team under the coaching of Mr. George Volpe once again won the Division Championship before bowing out to Oshawa in the seventh game of the series. First place and the City Championship narrowly eluded the Bantam team but they went on to win the big one — The Ontario Championship. The Midget AA while not winning a championship did have a great season before losing in the second round of playoffs. The Major Midgets met with the most success, winning the "Viking Cup" in Vasteras Sweden, the City Championship, the Ontario Championship and were the Canadian Silver Medalists in Winnipeg.

Congratulations to all involved in the hockey program.

BASKETBALL RESUME

The future is very bright for Basketball at St. Michael's as the young freshman bantam basketball team under the capable leadership of Mr. Paul Dignan capped off a very successful season by winning the TDCAA Championship by a convincing margin of 35 points over Chaminade. Their season record was 23-3 with no defeats in league play. You will be hearing the names DiCosmo, Saplys, Melo, D'Agnanno a lot in the future years.

The Junior team had a fine year as well as they finished first in the western division of the league with a league record of 9-3. They won the quarter-finals, but were defeated in the semifinals by a very strong Neil McNeil team.

The Senior Blue Raiders finished the season in first place with a record of 13-1. After defeating Neil McNeil in the quarter-finals the Raiders dropped a two game total point series to St. Basil's by the score of 110-106. The Raiders, in a rebuilding year, had an overall record of 23-11, being ranked seventh in Metro. The Raiders lose only one player through graduation so next year's team should be quite strong.

DOUBLE BLUE

A school newspaper provides the students with a vehicle through which they can express their views, interests, opinions and complaints regarding school life. In order for a paper to be a success the students must respect and use this vehicle. In other words, it is necessary that students submit articles if a school paper is worthy of its name. This rule applies to all papers including the Double Blue.

In the Double Blue picture there are six people who were responsible for the technical aspect, not the creative aspect, of the paper. No editorial staff can be fully responsible for the content of a paper.

A school paper is what the students make it to be. So remember this next year when another attempt is made to produce a good school paper here at St. Michael's. Carlo DeVuono, Luigi Martino, Tim Brosnahan, Kevin Donivan (Ed.) Dave Trafford, Tom Knight.

The Polish Pope and North America

by
STAN OBODIAC

A lavishly illustrated book, with many pictures in full colour, it gives a glimpse of those unforgettable days in Rome and in Mexico and of the new pope's early life in his native Poland.

But it does more — it comments on and illustrates Cardinal Wojtyla's little-known visits to Canada and the United States in 1969 and 1976.
